Congregation Shomrei Torah Intergenerational Shabbat Weekend

I've been dreaming about this retreat for years! It will be an exceptional opportunity to bring the congregation together in a holistic and intergenerational way. When does the congregation as a whole get to truly experience Shabbat? When, if ever, do we get to, as a community, have an extended Jewish experience that a Shabbaton like this can offer? I am more than excited about the retreat, and hope that many, many members can join us!
